Rosemont Copper Project EIS
Coronado National Forest
300 W. Congress St
Tucson, AZ 85641

Hi,

My water is pumped from well number 55-519879. I would like to know what impact the Rosemont mine will have on my well. Can I expect the water table to be lowered? If so will my well run dry? If my well runs dry, who will pay to get water to my home? What do you estimate the future groundwater table depth to be?

Thank you for answering these questions.

Sincerely

Chuck Woodford
