

FL 13

Dear USFS,

Please save the Santa Ritas, our scenic, beneficial, ecological, way-of-life-supporting local mountain range that is a part of our culture, our heritage, and our local human ecology & economy.

I believe every effort in America must be done to declare our land protected, saved, honored.

Our people are citizens and rule this country, and we trust you to carry out our message - NO Rosemont Mine Ever.

THANK YOU
